Mr. Jeffrey Bustamante
Chief Executive Officer
New Mexico Health Insurance Exchange (beWellnm)
7601 Jefferson St NE, Suite 120
Albuquerque, NM 87109

Dear Mr. Bustamante,

I am pleased to inform you that the State of New Mexico has received conditional approval to establish a State-based Exchange (SBE). Congratulations to beWellnm on reaching this significant milestone on the path to establishing a State-based Exchange for the residents of New Mexico.

Conditional approval reflects the progress beWellnm has made in demonstrating its readiness as an SBE to provide affordable, quality coverage for consumers for plan year 2022. The Centers for Medicare & Medicaid Services (CMS) has reached this decision based on New Mexico's Blueprint attestations, progress to date, and expected progress across the entire spectrum of Exchange requirements, and is contingent upon the following conditions:

1. Continued demonstration of the ability to perform required Exchange activities in line with the attestations New Mexico has made in its State-based Exchange Blueprint Application submission. Please find appended to this letter, a chart summarizing CMS' assessment of beWellnm's progress around key SBE transition activities;
2. Continued compliance with federal regulations and completion of remaining progress milestones by New Mexico.

We look forward to continuing our partnership with the State of New Mexico and are committed to providing your team our ongoing support and technical assistance to help beWellnm succeed.

Thank you,

Ellen Montz
